YEAR 2, 2009 -TIMETABLE NOTES

New Subject Codes 2009

Year 2 Coordinator

PHTY20001	513-210 Physiotherapy 3	Ms Marilyn Webster
PHTY20002	513-211 Cardiorespiratory System	Dr Annemarie Lee (Medicine, Jenny Hayes, James Ziogas)
PHTY20003	513-220 Physiotherapy 4	Ms Marilyn Webster
PHTY20004	513-221 Sensori Motor Control Systems	Dr Rana Hinman and Dr Erica Fletcher

Coordinator

Ms Marilyn Webster

2009

- **28th January 2009** PBL groups Thursday amended - now 1-5 in am; 6-9 in pm.
- **9th January 2009 amendment** - PHTY20003 Prac groups in S1,2009 reduced to five. Prac sessions on Monday afternoon 2.15-4.15 moved to Tuesday 8-10 due to staffing reasons (Louisa Remedios and Marilyn Webster).
- 15th January 2009 PBL Groups in semester one reduced to 8 groups.
- For 2009, in semester two only, the Prac and PBL classes for PHTY20003 (513-220) are now to be scheduled on Wednesdays 8.00am to 10.00am. (In semester one, leave them on Monday afternoon)
- Semester 1: Four PBL rooms (216, 223, 228, 229) are booked in 2009 for subject PHTY20002 (513-211) Cardiorespiratory Systems.
- Semester 2: Three PBL rooms 216, 223, 228 have been booked for PHTY20004 (513-221) Sensori-Motor Control System for weeks 30-37. Medicine will probably ask for 4 rooms at the last moment, however we do not have any extra rooms available.
- 2009 - Continuation of University requirement for Tuesdays 12-2.00 to be kept free of classes (MBBS subjects only have an exemption 2009 to 2011).
- Informal PBLs in semester one have been reduced to one hour.
- PHTY20002 (513-211) Thursday morning Anatomy Sessions - split into two groups because of jointly taught lecture time.
- In 2009 Jenny Hayes & Chris Briggs require 3 additional lectures to be booked in subject PHTY20002 (513-211) on Thursday mornings 10-11 - in weeks 7, 11, 12 (updated 12/12/2008) in the Physio Lecture Theatre. These have been scheduled in Syllabus Plus as part of the Lecture series on Thursday am.

(amended Jan 2009) GROUPS IN 2009 (expected enrolment 90)

5 Prac Groups

8 PBL Groups (Informal PBL in Syllabus Plus as "T"; Formal PBL in Syllabus Plus as "PB").

SUBJECTS JOINTLY TAUGHT WITH MEDICINE OR TAUGHT BY MEDICINE

PHTY20002 513-211 Cardiorespiratory System	jointly taught with	MEDS20001 510-210 Cardiorespiratory Locomotor Systems	Lectures - some jointly taught, some for Physio students only.
PHTY20004 513-221 Sensori-Motor Control System	jointly taught with	MEDS20003 510-212 Control Systems Growth & Development	Lectures - some jointly taught, some for Physio students only.

CONTACT PERSONS FOR TIMETABLE ROOM BOOKINGS AT MEDICINE / ANATOMY

Lectures: Kevin White ext: 44950 does the Lecture Theatre bookings for Physiotherapy subject: 513-211 and 513-221 where they are jointly taught.

PBLs: 513-211 and 513-221 coordinated by academics Jenny Hayes (Anatomy) and James Ziogas (Pharmacy) - Medical PBL Rms not booked via Syll+.

PBLs: Kevin White ext 44950 and Celia Ayers ext: 49794 book Medical PBL Rooms for 513-211 & 513-221. Not booked via Syll +, booked just before classes.

Pracs: Chris Briggs ext: 45776 coordinates the arrangements for Pracs for subjects: 513-211 and 513-221, including booking the Anatomy rooms.

Pracs: Rachel Wilson organises the Neurosciences Prac for PHTY20004 (513-221).
